# Limited Warranty on VentSure® Ventilation Products

## Introduction

Thank you for your recent purchase of Owens Corning *VentSure* ventilation products. We believe we manufacture the highest quality and most attractive ventilation product(s) available anywhere, and that is why we stand behind them with one of the best warranties in the industry. We have attempted to write this warranty in clear, plain-English terms, including the limitations and restrictions, so you will fully understand the warranty we are making to you. However, if anything in this warranty is not clear to you, please visit our Web site at [www.owenscorning.com](http://www.owenscorning.com). Or call us at 1-800-ROOFING.

## Who is Covered

If you live in the United States or Canada and you are the original consumer purchaser (i.e., the homeowner, not the installer or contractor) of one of our *VentSure* ventilation products listed below, you are entitled to the benefits of this warranty.

## Transferability of the Warranty

This warranty is personal to you and may not be transferred to any subsequent purchasers of your home.

## How Long Are You Covered

The duration of your warranty depends upon the type of *VentSure* ventilation product(s) you have purchased. See the chart at the end of this warranty for the specific warranty period that applies to your *VentSure* ventilation product(s).

## What Is Covered

We warrant that your *VentSure* ventilation products are free from any manufacturing defects that materially affect their performance on your roof.

## What Is Not Covered

Damage to the product due to any cause not expressly covered herein. After our *VentSure* ventilation products leave our manufacturing facility they are subjected to conditions and handling beyond our control that could affect their performance. This warranty does not cover any problems with non-defective *VentSure* ventilation product(s), caused by conditions or handling beyond our control. Some examples of conditions not covered by the warranty include:

1. Acts of God such as hail storms and winds in excess of 60 MPH;
2. Foot traffic on your roof or damage caused by objects (such as tree branches) falling on your roof;
3. Improper or faulty installation of your *VentSure* ventilation product(s). Installation must be in accordance with our written installation instructions;
4. Settlement of the structure of your home or buckling or cracking of the deck over which your *VentSure* ventilation products were installed;

5. Damage to the *VentSure* ventilation products caused by alterations made after completion of application, including structural changes, equipment installation, painting, or the application of cleaning solutions, coatings, or other modifications; and
6. Any costs that you incur which are not authorized in advance by Owens Corning.

## What Is Your Remedy

1. **Manufacturing Defects** – If the performance of your *VentSure* ventilation product(s) is ever materially affected during the term of this warranty by a manufacturing defect, we will pay you the cost (excluding labor), as reasonably determined by Owens Corning, to repair or replace the product, or give a cash refund equal to replacement material cost.
2. **Proration of Your Remedy** – If your *VentSure* ventilation product(s) carry a warranty of more than one (1) year and have been installed longer than twelve (12) months, we will take into account the number of months of use you have enjoyed through the date of your claim, and reduce the amount of our payment to you accordingly. That is, we will prorate the amount of your payment through the date of your claim. For example: If you have a 20-year warranty (240 months) and you make your claim in the last month of the 5th year of the warranty (i.e., the 60th month), we will pay you 180/240ths of the reasonable cost to repair or replace your *VentSure* ventilation product(s).
3. **Alternative Remedy** – There may be certain circumstances where Owens Corning will elect to provide you with replacement *VentSure* ventilation product(s) rather than providing you with the payment as described above. Therefore, we reserve the right to provide such replacement *VentSure* ventilation product(s) as an alternative remedy at our sole reasonable discretion.

## Replacement Product Variations

As a result of our ongoing efforts to improve and enhance our product line, we must reserve the right to discontinue or modify our product, including their colors. We are not liable to you if you make a warranty claim in the future and any replacement *VentSure* ventilation product(s) you receive vary in color either because of normal weathering or changes in our *VentSure* ventilation product line. You should understand that if we replace any of your *VentSure* ventilation product(s) under this warranty, we reserve the right to provide you with substitute *VentSure* ventilation product(s) that are comparable only in quality and price to your original *VentSure* ventilation product(s).

## Claims Process

To make a claim under this warranty, you need to do so within thirty (30) days after you discover the problem. Just call us at 1-800-ROOFING.
